## COOKIE POLICY

### 1. WHAT IS A COOKIE?

A cookie is a small file of letters and numbers that is stored on your device (e.g. computer, phone), and used by our website to send information to your browser allowing it to return information to our 360 Workshop Website (e.g. user ID, choice of language or a date).

There are different types of cookies:

- Session cookies which disappear as soon as the user leaves the website;
- Permanent cookies which remain on the user's device until they expire or until the user deletes the cookies using the browser settings.

Cookies used on UPI's 360 Workshop Website are not able to identify you personally.

### 2. WHAT COOKIES ARE USED ON UPI'S WEBSITE?

UPI's 360 Workshop Website uses 3 types of cookies.

#### 2.1 Cookies necessary to use UPI's 360 Workshop Website

These cookies are essential as they enable you to fully experience the possibilities offered by our website, such as accessing to your personal account.

By disabling the use of such cookies, you will no longer be able to use the basic features and functionalities resulting in a slower and less efficient user experience.

The information collected through these cookies is only used for this purpose and is never shared or sold to third parties.

#### 2.2 Cookies necessary to improve UPI's 360 Workshop Website

These cookies are used to collect anonymous information and enable UPI to understand how visitors use UPI's 360 Workshop Website and monitor any errors that users may be experiencing (e.g. the number of visits, the number of pages visited, the activity on the website, errors messages received). These cookies are necessary to improve UPI's 360 Workshop Website and provide a better user experience.

The information collected through these cookies is only used for this purpose and is never shared or sold on to third parties.

#### 2.3 Targeting cookies

These cookies are used to enable UPI to manage and improve the effectiveness of the delivery of advertising campaigns and to refine the targeting of these campaigns so that UPI can display the most relevant content for each user. The data collected through these cookies is anonymous.

### **3. HOW TO MANAGE THE USE OF COOKIES ON UPI'S WEBSITE?**

You can block cookies by activating the settings on your browser that enable you to refuse the settings of all or some cookies. The following settings may be subject to change based on version(s) used.

#### **3.1 Manage the use of cookies on 360 Secure**

- In the settings menu, select "advanced settings" at the top of the page;
- Select the "content settings" tab;
- The page that then appears tells you about cookies and allows you to manage the use of cookies. It also allows you to clear any cookies currently stored.

#### **3.2 Manage the use of cookies on Google Chrome**

- In the settings menu, select "advanced settings" at the bottom of the page;
- Select the "content settings" tab in the privacy and security section;
- The top section of the page that then appears tells you about cookies and allows you to manage the use of cookies. It also allows you to clear any cookies currently stored.

#### **3.3 Manage the use of cookies on Mozilla Firefox**

- In the tools menu, select "Internet options" (MAC users, go to the Firefox menu & select preferences);
- Select the privacy tab in the options box;
- From the dropdown choose, "use custom settings for history". This will bring up the options for cookies and you can choose to enable or disable them by clicking the tick-box.

#### **3.4 Manage the use of cookies on Internet Explorer**

- In the tools menu, select "Internet options";
- Click the privacy tab;
- You will see a privacy settings slider which has six settings that allow you to control the number of cookies that will be placed: Block All Cookies, High, Medium High, Medium (default level), Low, and Accept All Cookies.

#### **3.5 Manage the use of cookies on Safari**

- In the settings menu/Safari menu, select the "preferences" option;
- Open the privacy tab;
- Select the option you want from the "block cookies" section.
